Able to Do Much in Prohibition

Campaigning.

Come Up This Session-To

Be Fought in Senate.

By Ernest G. Walker.

Regarding Prohibition.

The Delegate was asked today, whether he would take an active part NEW ENGINEER FOR in the prohibition campaign.

"Well, I don't know yet," he teplied. "I consented to the use of my name as one of the general committee. But probably I won't be able to do much in the campaign on that Issue. I have my own campaign to look after and this public speaking is pretty hard ripul civil engineers in the service of work. I will not want to go around the federal government, will start in a the Islands twice on speaking trips.
